University of Connecticut | Budget DataMart

BDM from Brio to Hyperion (System 9)
Internet Explorer 7 Registry patch

Before beginning:

- While the instructions state for Brio/IE7, it holds true for Hyperion/IE7
- IE7 should already be installed on your computer.

The following link will be your guide to applying the Windows Registry Patch.

http://datawarehouse.uconn.edu/IE7regpatch.html

If you have questions….etc…. helpcenter@uconn.edu
