### Budget DataMart V6

## Year to Date Revenue Reports

There are three Year to Date Revenue reports to choose from.

They are:

- YTD Summary by Account & Subcode
- YTD Detail by Account & Subcode (All transactions)
- YTD Detail by Account, Subcode and Load Date

Information in the reports is by the Department level and is as follows:

- account number and description
- subcode and description
- budget amount
- actual amount
- encumbrance amount
- available (Budget Balance available)
- direct transaction description
- transaction date
- transaction code
- Ref
- Ref 2
- load Date
